May 31 Treatment of Acute Pancreatitis in the 21st Century: More Than Just Fluids and NPO

Aleksey Novikov, MD

GI Fellow

NYP/Weill Cornell Medicine

Statement of Need: Advances in this field need to be presented to Cornell faculty and other physicians on a regular basis as means of promoting state-of-the-art health care for patients.

Target Audience: This series is designed for physicians in GI specialty, physician assistance and nurse practitioners, as well as other medical staff active in the treatment of GI patients.

Course Goals and Objectives: Physicians attending this conference regularly should be apprised of recent advances in gastroenterology, hepatology and nutrition that will lead to improved patient care.

CME Accreditation and Credit Designation Statements

Weill Cornell Medical College is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Weill Cornell Medical College designates this live activity for a maximum of 1 AMA PRA Category 1 Credit(s) $^{\text{TM}}$. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

It is the policy of Weill Cornell Medical College to adhere to ACCME Essential Areas, Policies, and Standards for Commercial Support in order to ensure fair balance, independence, objectivity, and scientific rigor in all its sponsored programs. All faculty participating in sponsored programs are expected to disclose to the audience any potential, apparent, or real conflict of interest related to their contribution to the activity, and any discussions of off-label or investigational uses of any commercial products or devices not yet approved in the United States. All disclosures will be made to attendees prior to each presentation.

WCMC is accessible for individuals with disabilities or special needs. Participants with special needs are requested to contact the Office of CME at 212-746-2631.
