

**Instructor in Medicine or Assistant Professor of Clinical Medicine
Division of Pulmonary and Critical Care Medicine**

Academic Position Summary:

- The Division of Pulmonary and Critical Care Medicine in the Weill Department of Medicine at NewYork-Presbyterian/Weill Cornell Medical Center is seeking an academic board certified/board eligible pulmonary and critical care trained physician to join our distinguished faculty. The Division is recognized nationally for providing advanced clinical care, conducting pioneering research, offering unique teaching opportunities, and demonstrating commitment to improve the health status of the community we serve. Clinician educators are sought at all career levels; we offer protected time to pursue academic interests in teaching, policy, advocacy and research for highly qualified candidates.
- Weill Cornell Medicine (WCM) is the medical school of Cornell University. Faculty members have clinical appointments at NewYork-Presbyterian Hospital (NYPH), one of the largest and most comprehensive academic medical centers in the nation and one of New York City's top-ranked hospitals.

Academic Responsibilities:

- This clinical position may include a mixture of inpatient and outpatient duties consisting of sessions in the Medical Intensive Care Unit (MICU) including night coverage, the inpatient pulmonary consultative service, and our busy office practice. Faculty work closely with medical students, residents, and fellows, providing opportunities for teaching and academic development.
- Weekend and/or holiday service as an attending physician on the inpatient MICU service or general pulmonary inpatient consultation service commensurate with peers. The MICU is staffed by a faculty member overnight who works closely with the in-house fellow.

Medical Education Requirements:

- Candidates must maintain an M.D. or comparable foreign medical degree
- Certification by the American Board of Internal Medicine (ABIM) in Internal Medicine and board eligible/ or board certified in Pulmonary Medicine and/or Critical Care Medicine
- A valid and active New York state medical license

Academic Appointment Requirements:

- Academic rank of Instructor in Medicine typically includes 1-3 years of academic experience.
- Successful post-training candidates will have evidence of a strong, local reputation in the clinical field of pulmonary and critical care medicine, with a leadership and/or a key role in activities that include practice, such as approaches to diagnosis; treatment or prevention of disease.

Clinical Appointment Requirements:

- Appointment as an Assistant Attending Physician of NewYork-Presbyterian Hospital (NYPH) will be contingent upon approval of the WCM academic appointment. Hospital attending and/or consultation privileges will be limited to WCM and NYP-Lower Manhattan Hospital, unless otherwise specifically agreed to in writing by the Medical College Dean.

Professional Licenses and Certifications:

- A valid New York State medical license, DEA license, board certification, and all applicable certification and/or credentialing specific to the medical specialty; must meet the qualifications to enroll and participate in all third-party payer insurance plan credentialing.

Competencies:

- Must remain compliant with all WCM and NYPH initiatives, to include completion of the WCM academic annual self- assessment and completion of NYPH annual ongoing professional peer evaluation.

Compensation and Benefits:

- We offer highly competitive and excellent benefits, including 403B, malpractice including tail coverage, LTD and life insurance, and tuition reimbursement for qualified employees and dependents.
- Rank commensurate with experience.
- Salary ranges, not including bonuses, administrative supplement for specific director roles, and clinical incentive compensation of benefits:

Instructors: \$100,000-\$200,000

Assistant Professors: \$170,000-\$250,000

Sessional: Rates vary depending on shift type worked

Weill Cornell Medicine provides the above salary ranges in compliance with the New York City law on Salary Transparency in Job Advertisements. The salaries listed are for full-time employment, not including bonuses, clinical incentive compensation, or benefits. Actual salaries depend on a variety of factors including but not limited to experience, internal equity, specialty, training, and hospital/community needs. The salary ranges for New York City based roles represent WCM's good faith and reasonable estimate of possible compensation at the time of posting.
