

Instructor in Medicine or Assistant Professor of Medicine Division of Nephrology & Hypertension

Academic Position Summary:

- The Division of Nephrology and Hypertension at NewYork-Presbyterian/Weill Cornell Medical Center, chaired by Dr. Manikkam Suthanthiran, is seeking an energetic Nephrologist dedicated to providing compassionate and evidence-based clinical care.
- The Weill Department of Medicine has the unique distinction of being a home to Hypertension Center of Excellence. The Center, previously led by the pioneering hypertension specialist Dr. John Laragh, has made groundbreaking contributions to understanding the volume/vasoconstriction pathogenesis of hypertension and developing renin-angiotensin-aldosterone based therapeutics. Under the current leadership of Dr. Phyllis August, the center has elucidated mechanisms of pregnancy-associated hypertension and pioneered Obstetrics Nephrology as a subspecialty.
- Weill Cornell Medical College (WCM) is the medical school of Cornell University. Faculty members have clinical appointments at NewYork-Presbyterian Hospital (NYPH), one of the largest and most comprehensive academic medical centers in the nation and one of New York City's top-ranked hospitals.

Academic Responsibilities:

- Conduct 5- 6 Inpatient sessions focusing on Hypertension, including hypertension associated with various comorbidities/disorders such as kidney disease, kidney transplantation and dialysis, cardiovascular disease and pregnancy.
- Train to become an expert in the diagnosing and managing of all forms of secondary hypertension including renovascular hypertension, endocrine and adrenal hypertension (aldosterone, pheochromocytoma, Cushing's).
- Manage patients with chronic kidney disease.
- Provide inpatient consultative service in general nephrology and hypertension.
- Utilize expertise in Point-of-Care Ultrasound (POCUS) to enhance consultative nephrology and perform kidney biopsies at the bedside, particularly valuable for kidney allograft biopsies.
- Engage in research activities contributing to the field of nephrology including obtaining independent funding for research activities.
- Weekend and/or holiday service as an attending physician on the inpatient service commensurate with peers.

Medical Education Requirements:

- Candidates must maintain an M.D or comparable foreign medical degree
- Certification by the American Board of Internal Medicine (ABIM) in nephrology and critical care nephrology
- A valid and active medical license in NY state

Academic Appointment Requirements:

- Academic rank of Instructor in Medicine typically includes 1-3 years of academic experience. Assistant Professor of Medicine typically includes 4-6 years of academic experience with first author scholarship related to the clinical field and teaching.

- Successful post-training candidates will have evidence of a strong, local reputation in the clinical field of nephrology and transplant nephrology, with a leadership and/or a key role in activities that include practice, such as approaches to diagnosis; treatment or prevention of disease (such as renal disorders, end stage renal disease and pancreas transplant care)

Clinical Appointment Requirements:

- Appointment as an Assistant Attending Physician of NewYork-Presbyterian Hospital (NYPH) will be contingent upon approval of the WCM academic appointment. Hospital attending and/or consultation privileges will be limited to WCM and NYP-Lower Manhattan Hospital, unless otherwise specifically agreed to in writing by the Medical College Dean.

Professional Licenses and Certifications:

- A valid New York State medical license, DEA license, board certification, and all applicable certification and/or credentialing specific to the medical specialty; must meet the qualifications to enroll and participate in all third-party payer insurance plan credentialing.

Competencies:

- Must remain compliant with all WCM and NYPH initiatives, to include completion of the WCM academic annual self- assessment and completion of NYPH annual ongoing professional peer evaluation.

Compensation and Benefits:

- We offer highly competitive and excellent benefits, including 403B, CME, malpractice including tail coverage, LTD and life insurance, and tuition reimbursement for qualified employees and dependents.
- Rank commensurate with experience.
- Salary ranges, not including bonuses, administrative supplement for specific director roles, and clinical incentive compensation of benefits:

Instructors: \$120,000-\$180,000

Assistant Professors: \$200,000-\$260,000

Weill Cornell Medicine provides the above salary ranges in compliance with the New York City law on Salary Transparency in Job Advertisements. The salaries listed are for full-time employment, not including bonuses, clinical incentive compensation, or benefits. Actual salaries depend on a variety of factors including but not limited to experience, internal equity, specialty, training, and hospital/community needs. The salary ranges for New York City based roles represent WCM's good faith and reasonable estimate of possible compensation at the time of posting.
